

Celebrating Us Who we are

This is the Key Stage 1 version of the fantastically successful CELEBRATING US - WHO WE ARE module.

This learning module looks at issues of diversity, rights, roles and responsibilities. It was developed in conjunction with Key Stage 1 specialists from schools in London.

Like all the other CELEBRATING US modules, the content is bold, bright and media rich. It combines strong graphics, animation, video and a high level of interactivity. There are 21 highly engaging learning activities. Although aimed at the broad area of PSHE and Citizenship, these activities have relevance right across the Key Stage 1 curriculum.

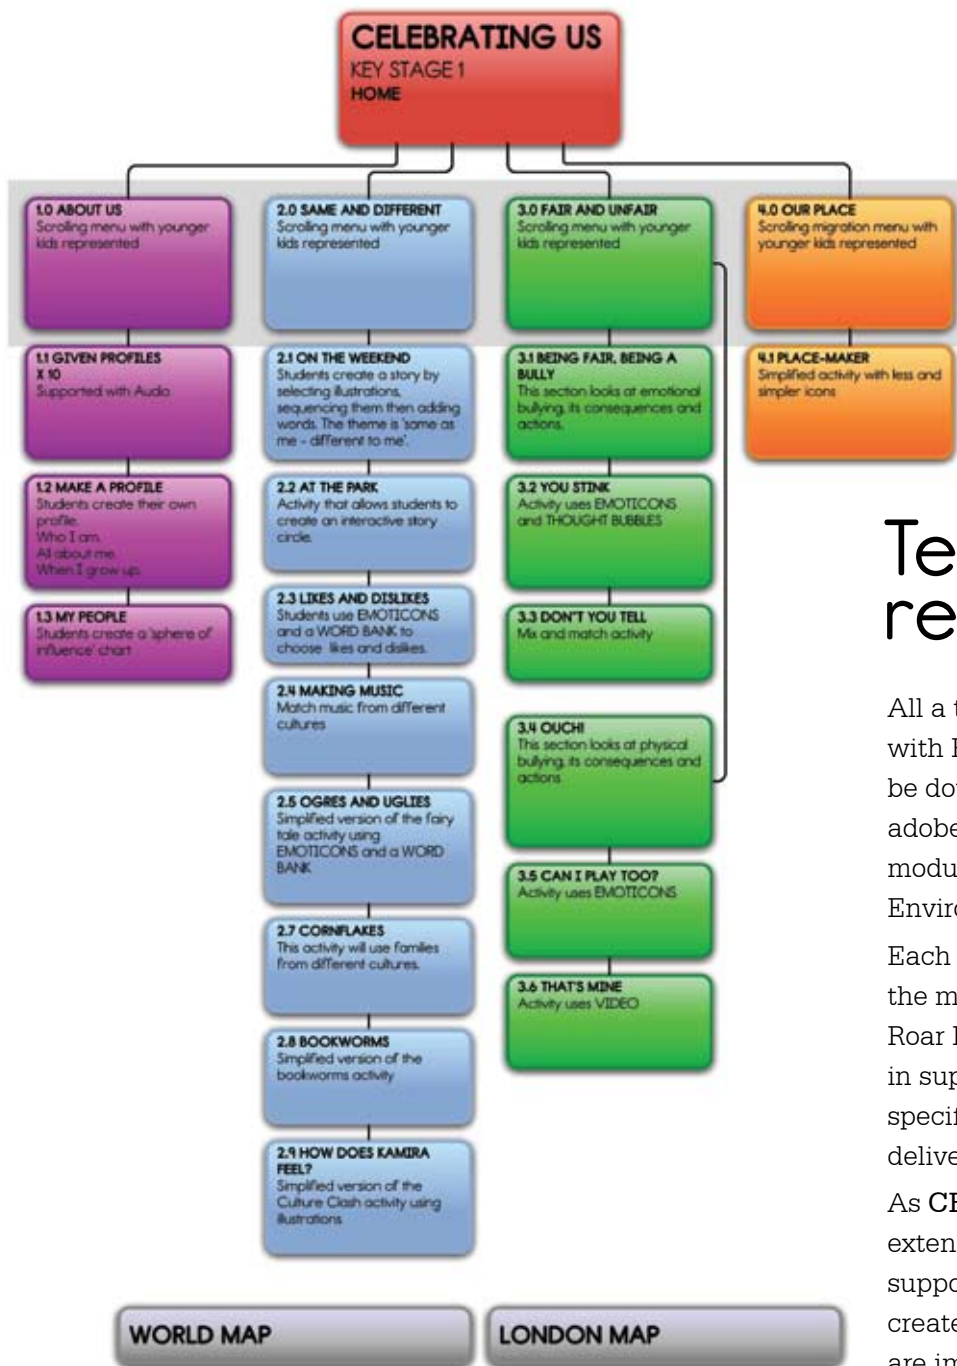

Who is it for?

CELEBRATING US - WHO WE ARE is aimed at Key Stage 1 level students.

What are the benefits?

- The activities within this module can be used by students individually, in small groups or as the basis of a classroom activity.
- The module can be used on Interactive Whiteboards.
- The breadth and number of activities means that teachers can easily use the module as the basis for many lessons.
- Teacher's Notes are included with the module.

Technical requirements

All a teacher needs is a web browser with Flash Player (VERSION 9) that can be downloaded free from Adobe (www.adobe.com). The CELEBRATING US modules function in all Virtual Learning Environments.

Each school, LA or Grid can install the modules on their own servers. Roar Educate support staff will assist in supplying the necessary technical specifications to ensure smooth delivery.

As CELEBRATING US involves extensive student activities and supports the sharing of student created content, issues of security are important. The modules support a Shibboleth (security authentication standard) environment if required.
